DATE FOR FILING THIS REPORT Report due by October 31st and to include assessments for late filing pursuant to IC 4-10-13-5.

DO NOT GROUP TAXING DISTRICTS REPORT EACH DISTRICT SEPARATELY.

INSTRUCTIONS

The figures for this report, except for the averages, will be obtained from Form No. 14, filed by the Township Assessor. In columns 3, 4, 5, 6, 7, 8, and 9, the number to be entered in column headed "No." must be the number of assessments and the average entered must be the average amount per assessment. In column 1, and 2, the number to be entered in column headed "No." must be the number of items assessed and the average per item. For column 2, a boat and motor form one item. Number and values of each class of property should be respectively added across for each taxing district and placed in column 10. Column 10, when totaled, must equal the sum of the totals of columns 1 through 9. This form must include all assessments from March 1st. Thus, the report will show all assessments for the year and the final average for each class of property and for each taxing district. Averages shall not be entered for the last column.

Township Assessors are required to make a report to the County Assessor on Form No. 14 per IC 6-1.1-3-18. The County Assessor is required to report to the Department of Local Government Finance as outlined under "Date for Filing This Report."
